Partner Program

Become a sustaining partner of St. Paul Street Evangelization!

www.streetevangelization.com/members

Similar organizations charge local chapters $500 annually, but St. Paul Street Evangelization supports its local chapters for free. Because of this, we need many Catholics to give a little each month. Help us take the Catholic faith to the streets by sowing into our apostolate with a financial gift today.

You can make a one-time donation or a monthly pledge. Sustaining partners help fund our apostolate on the national and international levels. As our thanks for helping bring the Gospel to the nations, you will receive full access to:

- Our training website and certification courses;
- Recordings of live trainings filmed during conferences;
- All of our pamphlets in PDF format for you to print out and distribute at no charge; and
- Any other resources given to our team leaders around the world.

Your contributions will be well spent. Pray that our world be converted to Christ and His Church.
